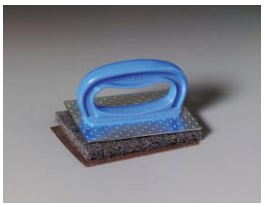
3M Scotch-Brite™

Griddle Cleaning System



- Griddle Pad Holder Ref 461
- Griddle Scouring Screen Ref 200
- Griddle Polishing Pad Ref 46

Technical Data Sheet **TD 216**

Date : April 2012
Supersedes : August 2011
Author : FG

Description :

This is a griddle cleaning system for use on griddles that have been cooled down. It's composed of a holder, a tough scouring screen and a polishing / finishing pad.

- Holder 461 : blue plastic handle with metallic plate.
- Griddle screen 200 : open mesh resistant plastic screen with tough abrasive particles.
- Polishing Pad 46 : grey strong synthetic fiber web, containing strong abrasive particles.

Product Advantages :

- Holder 461 :

- Protect hands from grease and burns
- Provides high quality cleaning because allows applying high strengh.

- Griddle screen 200 :

- Removes carbonised grease and food debris from the griddle in an efficient way.
- Fast cleaning action.
- Resists clogging and cleans easily.

- Polishing Pad 46 :

- Provides additional cleaning.
- Polishing will make food stick less so future cleaning will be easier.

Where and When to Use :

Cleaning and polishing ovens and griddles that have cooled down : end-of-day cleaning.

Directions for Use :

1- Place #200 screen on griddle, #46 pad on top, and the holder on top of #46 : #200 screen is in contact with the surface to clean.

2- Apply pressure and run push pull movements.

Note : using 46 between screen and holder will maximize screen life and minimize loading.

Note : #200 screen can be used on both sides.

3- Polishing : use pad #46 alone under 461 holder, after the scouring operation above. (temperature below 100°C)

Maintenance :

Washing 46 pad will maximize its life.

Product Characteristics :

- 46 Pad :

- Nylon fiber
- Dedicated mineral
- Polymer resin

- 200 Screen :

- Polyester screen fiber
- Dedicated mineral and resin

dimensions	461	46	200
Weight (g per unit)	240	13	7 to 8
Dimension L x l (mm)	101 x 133	101 x 133	104 x 140
Thickness (mm)	75	12	0,5
Schiefer value (Typical value)		3,6	4

Packaging :

packaging	461	46	200
units per box	10 x 1	20 x 1	10 x 20
boxes per case		3
